I am on my way back after checking school board for candidates.

I heard students like that guy tend to suicide.
Ahah...,

Will my mother turn me into a maid?

Anyway, why is he smiling about? His bright smile so runs my mood
Good night
What kind of fool is this? This is 11 am and good night? Even I who failed high school entrance exam know this
Or is he trying to make fun of me?
Um that wasn't the correct greeting?

KKyaa

I don't like this !
Everyone has black hair ...
You look like you are from some other country. Are you two friends?
A model perhaps?

You think you are so good looking don't you?
I hate this !
I really hate this !!
Are you new to Korea?
Get out of our way if you have no reason to talk to us. Guys like you are everywhere on streets
Get your hands off me, you ugly bitches ! I don't have any reason to talk to you !
Get out of here.
Hoho..., if you need a guide...

How unpleasant...
Fine, good luck with that brainless idiot
Wait ! Wait !
Him again ?!
Let go of me !

Ah

Are you

I was
so scared
Do you have a grudge

?
They were dangerous !
I thought I was go ng to

I barely managed to
get away from them
when they were forc ng
me to a cafe !

Are you a guy or a girl ? Your appearance alone is confusing enough. And the way you speak makes me even more confused.
Taller than me But has a smaller face...
I am a male. So, my grandfather always told me to be careful.
...??
What do you want ?
I want to make a deal with you.
Wait !
Would you stop speaking so formally? It gives me creeps. Looks like we are about the same age So, let's just talk openly.
I cannot ~ A noble's son should never speak slang and such.
And I don't tend to talk to the r ch

No formal tone !
O_ok
Anyway
What do you mean that you want to make a deal ?
I guess I have no other cho ce then
A moment ago you sa d that you wanted to escape to anorther world
Well
What the ?
I was only th nk'ng that
How d d you hear ?
www.janimes.com

That s my spec alty
If I want to I can l sten to vo ces from thousand m les away
And if I am really n a good condit on I can even l sten to vo ces n one s m nd
Everyone s jealous of my hearing
An d ot and a monster ?

ah
Ths must be a restaurant Are you go ng to buy me food ?
Your order ?
Two bowls of noodle.
Steak, lobster and ...
Payment in advance please.
Delicate tongue, huh .
They don't sell that kind of food here. Besides, I only have 5 000 won.

I have plenty of money
Show me
Dollar or something?
Just as I expected He's a runaway from a mental hospital
This money?
Let exchange names.
I am Su Ha, Jeong Su Ha.
Yours?
Su Ha, Jeong Su Ha?
Weird name. My name is Ganesha. I am beta.
Beta?
I mean it means male in your world. Just like you

Please sit on your seat

Th s s really p ss ng me off In what way do I look l ke a guy ?
It s not even conv nc ng !
from appearance and personality
Well I guess It s not totally conv nc ng
Yes, right, I am doubleX, a female so to speak. I am sensitive. My mind is a girl's.
It s not entirely h s fault It s been l ke th s n my entire l fe anyway
So
I guess It s a little (actually fully) understandable
People have always m staken me as a guy because of my appearance ever s nce I was a ch ld
Jasmine
www.jasmine.com

I was born with righteous character So I was more like a bodyguard for friends _girl friends
You jerks !
Su Ha 6
When I was feeling like to find my first love I couldn't get a boyfriend
Su Ha 11
Su Ha you are the best
You are more brave and handsome than guys
Su Ha 15
And my locker was full of love letters from girls
I'm stook you as a cute guy at first
My Love SU-HA
Jeong. Su Ha ? That's not a girl
I hate girls like that
I wanted to be feminine So I grew hair a bit
Would you like to go out on a date with us ?
Do men grow their hair now days? Well I guess it's ok Unisex you know?
Are you not feeling well ?
Even my close friends were like that

Perhaps
it's only
obvious that
a foreign guy
like him mistook
my gender
I was just fooling
around
Don't mind it
After we are done
eating I will find out
which hospital you
ran away from and
send you back
Ahah it's nothing
You speak Korean
very well
Hospital ?
Which route did you
take when coming to
Korea ?
I know everything
Where are you from?
America?
Ferance?
English ?
Don't be afraid
I am a good person
Darn
he wasn't listening
to me at all ?
Um
you see
I am not that
kind of person
you are thinking
of
Su Ha, Jeong Su Ha

I am from Para empire
I've been dispatched with an important mission
Para ?
What is your mission ?
Never heard of such a country
I am looking for more members
male liberation team?
Are you saying men are being suppressed? By whom ?
By women of course
I believe men in this world would be big help for our male liberation team

Women suppress men ?
Am I a fool not to know?
I've never heard that
such a country exists !
I will be direct
Su Ha Jeong Su Ha
would you come with
me to my country
and fight against women ?
Why do I have
to fight against
women ?
I guess
I understand
your situation
But why me ?
So, when you
said that you
wanted to make
a deal ...
Because
Su Ha Jeong Su Ha
you look like the strongest
man I've seen ever since
I came to this world

the stongest?
Does that mean I am more manly than men in his country?
If you have any sense of justice, please give us a hand
Don't you feel resented as a man ?
Quit calling me like that
My name is Su Ha
Just call me Su Ha
resented ?
Hehe I am glad that there is actualy a country where women rule That'd be Heaven
Su Ha Jeong Su Ha
And Jeong is my lastname
Last name
Men in this world even have a last name
Are you saying men in your country do not?
Only women of houses are allowed to have one
What would I get in return if I do help you out ?
www.jaimes.com

What will I get ?
Something good will happen ! I am sure !
Trust me, Su Ha !
My trust is fading away.

Wow
that s a b g b rd
Even the largest fly ng
dragon n my world
could compete
A world where
women rule

Here
Su Ha
Could you buy me one of those?
You said you didn't need my money
Will you leave me alone ?
I need time to think
I am not kidding here
That's one beautiful man
A guy who looks more feminine than me
Look at his pose

I thought I'd look only miserable if I walk with him. But I think he makes me shine more.
I wonder how he'd react once I tell him that I am a girl
Su Ha
Give me an answer soon
A world where women rule. I might be fun. Perhaps, that's a world I've dreamt of
sure
I kind of feel sorry for him for not telling him truth, but I need a break
I will go with you, Ganesha
Not that I want to join his male liberation team or something. But I want to see such a world

I thought he'd jump around and be happy that I accepted. Unlike what I thought, he made a bitter face and hesitated.
Thank you
That was a weird feeling
We've been waiting here for quite some time. Is this the correct spot ?
Janimes
www.janimes.com

It was his direct order. This must be the correct spot.

It was from the ancient ruin
Approach with caution
I am going around
We are here
You can open your eyes now

...?!
Wow .., this
is ....
Is th s your
country ?
But it s in ruins

Don't tell me you are l v ng here ?
Hey.. I am asking you
Hold on I am try ng to sense what my w fe s do ng
That means he s marr ed
W..w fe ?!
He looks young though He must be sexually act ve very much
Damn it ! Where the hell is Ganesha ?!

A man should just do house chores and stay at home !
Why does he go out so often ?!
Th s s why I don't like men who weren't taught et quette properly
God damn ... If I see him next time, I am going to chain him
Sire, I warned you. You should choose a man that's ...
Shut up ! I paid 5.000.000 golds for Ganesha !
So, I am an object
Let s hear more
Let s be honest adv sor No man can get a better w fe than me ! I have the powers wealth and th s country What else more can anyone ask for
Answer me !
You are correct, s re
you can't res st a cute blond man. Admit it

Then why would he want to go outside ?
What are you doing just standing there ?! Search !
That includes Gaya holy temple !
But, sire, the temple is a forbidden place unless . .
She's at it again.
Don't talk to me back !
My wife wants to change me
Say what ?
Why are you living with a woman like that ?! Get a divorce right now !
In this country, men are slaves. If a woman doesn't like her husband, she can either sell or kill him and get a replacement
although the current queen has made such a trend ...
Do you think men are allowed to have divorces ?
Then run away.
www.janmes.com

Run away ... ?
To where ?
Whether I hate or not..
Th s country s where I was born and ra sed
Cheer up.. Ganesha
I am so glad to f nd a new member l ke you I hope your ex stence w ll br ng a new hope for our organizat on
Thank you Su Ha Let s make it happen !
Argh ... the gu t

I am sorry that
I l ed to you
I am a gr l
So, I can't be a
member who
you expect me
to be
But I prom se
Who's there ?!
Show yourself !
You do have
good hear ng as
the rumor said
I prom se that
I won't be your
enemy
Dan um

A man of matchless beauty

It s the Ganesha
The man of matchless beauty
the man of matchless beauty ?
Could he be

Ganesha ...
He is recognized more
as the man of
matchless beauty
than his name.
Because of his magnificant beauty
the emperor aquired him to be one
of her concubine
That made his rank to be upgraded from
slave rank level 4 the worst
rank of all
It is said that he abuses
his position and wealth
And therefore he is
a target of sneer and hatred
of many men

Is someone like that really a member of Laharshita ?
Hey, garbage
Let's go.
.....
Nice to meet you, comrade. My name is Ati ..
Don't just stand there ! If you don't want to get caught and be executed, get moving !

Only 50 dion ?! Ganesha is the most precious gem of this Para empire !
*1 Dion = 1 kg basically
How dare you !

Please forgive my foolishness, my lord
Do not forget Address him formally
His name is not something you can just look down at

Hmm...
the road

According to Ganesha,
this world seemed
pretty savage.
But perhaps, this world
is more advanced than
I thought it would be.
Yeah, even that device

Uh
they look like men,

Aren't they ashamed ?

I knew he was

Maybe I can look

Su Ha has forgotten that she had no intention to help.
At the same time, Ganesha was exhausted and fell asleep. He even forgot his little promise with his wife.
My ear itches
Why isn't Ganesha coming ? He must be putting on a lot of makeup
Anyway, I have to find a place to sleep
I guess I will try to find the mountain fortress tomorrow

Excuse me ...
What is it, kid ?

There is a woman who looks more manly than me.

What was that
There is no law in this country? How could they let something like that happen ?

What ?!
Are you speak ng truth ?

Yes, sir.
Who else saw ?
The boy from other world, Danium and me.
However, it is possible that the search team could have seen him as well
That foolish
Where's Danium now?
He is reporting to Yisad right now.
That's not good

Just how bad were you controlling the dragon ...
It was completely my fault.
If you are going to punish anyone, it should be only me
Th s s not a matter of pun sh ng someone. Dan um
I don't have to tell you how dangerous it s to bring someone from another d mens on
The problem s that we cannot do another attempt anymore
You ve made a m stake that must have not been made
I do admt that it was my faut for fa ng the m ss on

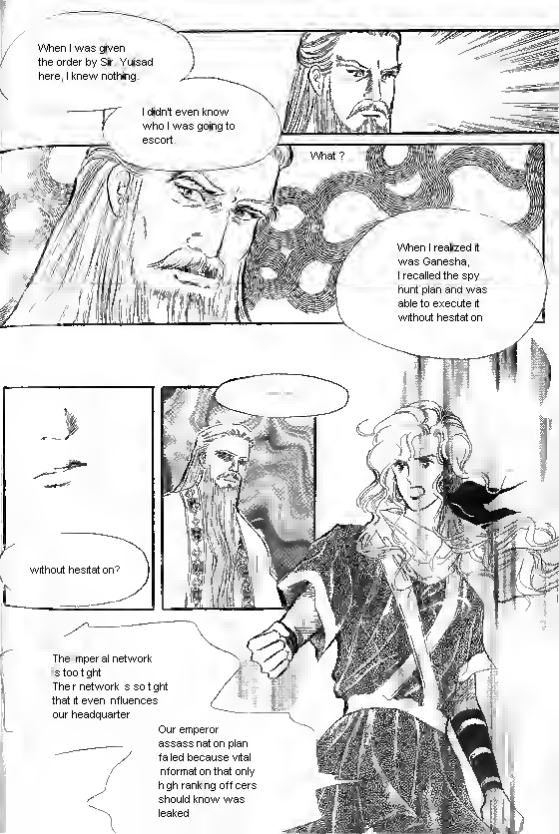
You do not judge people by their appearance.
He may have looked ordinary to you. But isn't it already astonishing fact that he was able to cross dimension ?
However, I cannot understand that how the boy could have been any importance for us !
Besides, the only reason we need him is that
Sir, you didn't see him. He was just an ordinary boy.
Nevermind what I said
I wonder if he managed to survive.
We've searched the area until it became dark. No dead body was found. It is very possible that he was saved by the fallsafe device

If he gets arrested it will create many serious problems for us
Even if we have to use force we must get him back
As soon as sun rises we will send another search team I want you to sneak into the capital and search
The boy has never been to our world before No one knows what kind of mistakes he may make
Sir

www.janimes.com

Yusad, was it your order ?
Ask this child here.
... I don't know what you are talking about ?
What is it Danum ?
If you are talking about Ganesha it was done by my own will sir
In front of Ati
No even though someone may have been watching us I exposed Ganesha s dentity

He s
a very important person for us.
Losing him will mean that we will lose much of our influence. For him being so important, we've been hiding his identity from other members.
I thought you knew that ...
It s hard to bel eve that you made two b g m stakes by just impulse
It was mpluse
But It wasn't a m stake



When I was given the order by Sir Yuisad here, I knew nothing.
I didn't even know who I was going to escort.
What ?
When I realized it was Ganesha, I recalled the spy hunt plan and was able to execute it without hesitation
without hesitation?
The imperial network is too tight
Their network is so tight that it even influences our headquarter
Our emperor assassination plan failed because vital information that only high ranking officers should know was leaked

I wanted to get a clue
Are you implying that you are suspicious of Ati and others? The ones you've been working with for so long?
I get along with them well for personal reasons. As a member of Laharshita, I do not trust anyone but Sir Yusad
I understand your concern.
.....But it makes me think you could have controlled your impulse .....
Ganesha is too big to be a bait.
I believe in order to pull a big fish, you need a big bait.
And that is enough for you to lead your friends to death?!
I personally believe that he has no use.

He is a garbage
I've told you before
that working with him
will only fade our
justification.
Dan um
It does not matter
what kind of person
he is
Yes
Sr Yu sad
What matters is that
the donations he makes
is big asset for our
operation.
In order to achieve
our goal, I am willing to
shake hands with even
worse kind.
What an
absurd child.

He s a good young man He s smart and passionate He posses a pure and bright soul
He is qualified to take over Laharshita s right wing
After replacement of left wing and Danum on right wing
Our Laharshita has become stronger
Danum may be smart but he s very careless His capacity is too small for such a big position
And as for the left wing he s too destructive and thoughtless Furthermore he doesn't care for his own life
That s because he s too young
Their impatience and vigor can be their advantage right now But later on it will only be disadvantage
You were never like that
www.janimes.com

Just one th ng to add
I knew I d never fool you mentor
I suppose you dec ded after long cons derat on?
Yes
If you do want to develop h m to be your r ght w ng you should teach h m not to be man pulated
He s w se So I suppose he knows your intent on as well

Aren't you going to blame me ?
...
After all, you chose to be a leader of Laharshita.
..... Yes, mentor
As I did ebfore, I will continue to do so.
I can do anyth ng f it is to obta n what I want
If I have to I can make deals wth anyone and can abandon anyone

The emperor was a fearsome person to begin with

I guess there s a reason that people badmouth him
Along with him, some called liberate men are trying to create havoc.

I see you are awake.
Your breakfast will soon be ready.

I feel bad about the new guard... She should have never approached Ganesha. Well, she is crippled forever now.
I heard it was Ganesha who came on to her first. Well, he knew that he'd be fine anyway.
That Ganesha he knows something like this could happen. He should avoid women who approach or he has no intention to?
Quiet ! It s h m
Do you th nk he heard us ?
If he d d he wouldn't just pass by Don't worry

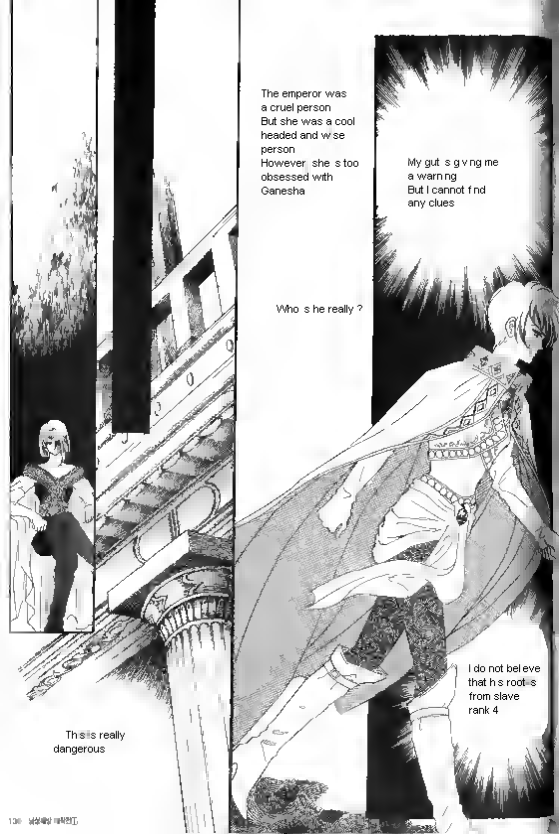
She was just a guard and she dared to touch the emperor's belonging. I should have taken her head, but I took her hands instead.
I showed her mercy. And that was a harsh pun shment?
b, but... her eyes and tongue ...
Her eyes were taken because they looked at my belong ng
Her tongue was taken because tt tr ed to tempt Ganesha
It was to give a warning to those who will still dare to tempt him when he is out of my reach.
Do you have anything else to say ?
... No, sire.

Frada
You've become quite rude lately
I don't know what kind of powers that your mother, who was a personal advisor of the previous emperor had but it is only in the past
I... I would never
If you still want to count on the past and keep going on so be it



The emperor was a cruel person But she was a cool headed and w se person However she s too obsessed with Ganesha
